

Hurricane Recovery Efforts

Turfgrass Producers International would like to assist in the re-building efforts of communities affected by Hurricanes Harvey and Irma in the Southern United States. While the storms have past, we know that it will take time, effort, and funds to fully recover from these events. Therefore, TPI has started a fund and would like to provide financial support for the families, employees, and communities affected in turfgrass production regions.

If you would like to contribute to this fund, please contact TPI or mail a check to the address below.

Turfgrass Producers International
444 E. Roosevelt Road Suite 346
Lombard IL 60148
(847) 649-5555 main
info@TurfgrassSod.org

If you are a turfgrass producer in an affected region and would like to recommend a family, employee, employee's family, or community resource that could use financial support please fill out the form below.
